Tp		CGd		BGd		Form Guide														
T1		A3		A3		Well drawn on the rails & not without a chance on best form. Could run into the places.														
T2		A3		A3		Decent comeback run last time out and should improve for the outino. A huge player.														
T3		A3		A2		All about early speed and looks capable of leading early. Should make a bold bid here.														
T4		A3		A2		No show last time out and major improvement needed from that run. A touch ask here.														
T5		A3		A3		Needs to come away racing to get in the mix tonight. Will need a little luck to feature.														
T6		A3		A2		A couple of fine runs in recent times. Plenty of early pace and a real player if leading.
