| T2         | ON2         |                       | Unbeaten in trial runs and looks capable of a big run on debut. One for the trio players. |
| T3         | ON2         |                       | Impressive sales trial victory last time out. Should be in the mix throughout. Go close.  |
| T4         | ON2         |                       | Kennel does well around here. Impressive trial winning performances. Should improve.      |
| T5         | ON2         |                       | Trainer often produces some nice sorts around here. Has obvious claims for sure here.     |
| T6         | ON2         |                       | Plenty of trial experience in the book. however. is best watched in this. A tough task.   |
