Much improved trial performance last time out and rates a leading player on that run.

Out of luck on debut but is expected to play a major part in this tonight. Must include.

Not without a chance on the clock. Should run into the places in a very open contest.

Improved winning trial run last time out and will need a bit more to score. Tough ask.

Mixed trial form in the book & major improvement will be needed to get involved here.

Two decent runs in the book & could do well here. Needs a lively start from the outside.
