Tp	CGd	BGd	Form Guide																						
T1	A2	A2	Has winning form at this level so can't be ruled out in this. One for the trio players.																						
T2	A2	A2	Improving sort with plenty of pace. Stepped up in trio is a big plus and should go close.																						
T3	A2	A0	Tough assignments in recent outings but this is a nice drop in class. Must go close.																						
T4	A2	A2	Two decent efforts in recent runs. However, more improvement needed to take this.																						
T5	A2	A2	Consistent tracker with plenty of all round speed. Can't afford any mistakes early.																						
T6	A2	A2	Can often show plenty of speed but must turn close in this line-up. Must turn better.

T1		A2	AA0	Classy sort at very best but below that of late Big drop in class and drawn well. Nap.															
T2		A2	A1	Out of luck in recent outings. Tough draw outside a very classy sort. Up against it.															
T3		A2	AA0	Often shows plenty of early speed. Good form in the book. Can make a bold bid here.															
T4		A2	A1	Caught the eye in defeat last time. Has plenty of speed. Must get on terms. Claims.															
T5		A2	A1	Plenty of early pace but draw is far from ideal. Will need to rocket to the corner here.															
T6		A2	A1	No luck of late & will need to bounce back to form to get involved. Looks a tough ask.

Tp		CGd		BGd		Form Guide																															
T1		A3		A1		Impressive Jan 20. Big rise in class since but ran well last time. Can do well.																															
T2		A3		A2		Below very best in recent outings so must bounce back in this. Needs more.																															
T3		A3		A1		Ran well enough last time out - chance if building on that. Can get involved.																															
T4		A3		A1		Returns to racing action tonight and may need the run. Best watched in this.																															
T5		A3		A3		Good form over a shorter trip. Can't afford any mistakes early. Must lead up.																															
T6		A3		A1		Can often show good early speed and this looks a red hot event. A tough ask.
