Gives the impression that wants further than 525vds but this is some jump! Well drawn.

Won last week by a narrow margin over 525vds & another stepping into the unknown.

She did race over 600vds. suffered crowding but was fancied which may be an indicator.

Yet to win but his pedigree suggests that he could enjoy this marathon trip. chances.

Hard to assess. raced once over 525vds & now stepping up to 750vds. a big ask!

Has been finishing his races strong but again only over 525vds. this is a different game!
