T1	ON2		Ahead in both of his qualifying trials. could set a clear run up if T2 moves wide																5/2	
T2	ON2		Final qualifying trial would suggest real ability. may move a little wide at start																3/1	
T3	ON2		Needs to avoid trap two early on this evening. chance if doing so																5/1	
T4	ON2		Final two bend trial was a decent effort. middle trap will probably suit following trials																5/1	
T5	ON2		He could slip in behind the possible favourite on his outside here and challenge late on																5/1	
T6	ON2		She has the fastest time recorded amongst these. slight concerns about wide trap draw																7/4
