This looks quite a step up in class this evenina. likely to stavs the longer trip though

Ideallv placed on the inside this evenina. traps and stavs well throughout his races

Yet to win but has been running in better companv. should be involved throughout

Struqaales in the early staaes of her races so this six bend trip with a run should suit

Previous form lines would suaaest she should stav this distance. can finish well

Has been competina in a better arade to a few of theses. expect a late finish here
