T1	A3	A3	He might find himself behind early on this evening. has finished well in most of his race												6/1				
T2	A3	A2	Appeared a little unlucky last Friday night when in a good position. needs a wider trap												5/1				
T3	A2	A2	Winning run came to an end last week. still a decent prospect who'll be thereabouts												7/1				
T4	A2	A2	She has terrific early pace from the starting traps and just might lead these into the bend												5/2				
T5	A3	A3	Probably will be led early on but this extra few lengths will really suit her style of running												15/8				
T6	A3	A3	Has a chance to lead the outside runners to the first bend. crowding behind would help												11/4
